What to Wear during Sorority Recruitment

This is a guide of what to wear on each day of recruitment so that you feel appropriately dressed. Please do not feel that you must go buy new outfits for recruitment. The sororities want to see YOUR personality. If you have any questions, feel free to ask your Pi Chi for help!

Open House

This is the first day of recruitment. You should wear your recruitment T-shirt that will be provided and casual comfortable bottoms.

Philanthropy

This is the second day of recruitment. Dress is casual. Comfortable sundresses, skirts, or pants with a casual top. Shoes should be comfortable sandals or flats.

Sisterhood

This is the third day of recruitment. This round is a little dressier, but still casual. Sundresses, skirts, dress pants with a nicer top. Shoes should be comfortable sandals or flats.

Preference

This is the fourth and final round of recruitment. This is the dressiest round. Dresses, skirts and dress pants with a dressy top are appropriate. Comfortable shoes (sandals, flats, or wedges) are suitable. PLEASE NOTE: formal or semi-formal attire is too dressy for this day.
